• 5 August

Fair or quite fair. Some cloudiness with probable thunderstorms and occasional rain in the southwest. Temperature range from 22 degrees in the coastal areas to 30 degrees in the inland area. Light or moderate southerly and southeasterly winds.

6 August

Some cloudiness or fog in the morning. During the day, generally quite fair with probable thunderstorms. Temperature range from 22 degrees in the north to 30 degrees in the south. Light variable winds.

7 August

Some cloudiness or fog in the morning with intermittent rains caused by thunderstorms. Generally quite fair during the day. Temperature range from 20 degrees in the north to 25 degrees in the west. Light variable winds.

8 August

Generally cloudy with probable thunderstorms and intermittent rain in the northwestern and western parts, fair in the rest of the country. Temperature range from 22 degrees in the north to 29 degrees in the inland areas. Light or moderate southerly and southeasterly winds.

9 August

Considerable cloudiness with intermittent rains caused by thunderstorms in the northwest, mostly cloudy with probable thunderstorms during the day in the rest of the country. Temperature range from 23 degrees in the west to 30 degrees in the east. Moderate winds with occasional sudden gusts from the southeast and south, turning to southwest.

10 August

Cloudy with some fair weather and probable intermittent rains caused by thunderstorms. Temperature range from 20 degrees in the north to 25 degrees in the southwest. Light or variable southwesterly winds.

11 August

Generally quite fair with considerable cloudiness in the northern part of the country. Probable light rain. Temperature range from 20 degrees in the north to 26 degrees in the south. Moderate westerly winds.

12 August

Generally clear weather followed by gradually increasing cloudiness and rain starting in the west. Temperature range from 18 degrees in the north to 25 degrees in the south. Light or moderate southwesterly and westerly winds.

23 August -- Lodz, Dziennik Lodzki

Some fog in the morning, generally quite fair during the day, except increasing cloudiness and local intermittent rains and probable thunderstorms in the west and south. Temperature range from 19 degrees in the coastal areas to 28 degrees in the east. Light or moderate southeasterly winds in the east and northwesterly in the west.

24 August

Considerable cloudiness in the western part of the country, some light or intermittent rains. Generally cloudy with probable thunderstorms and occasional rain in the rest of the country and clearing in the northeast. Temperature range from 18 degrees in the western coastal areas to 28 in the northeast. Light to moderate northerly and westerly winds; easterly winds in eastern Poland.

25 August

Some cloudiness and fog in the morning, during the day, generally quite fair with probable thunderstorms in the afternoon. Maximum temperature from 22 degrees in the north to 27 degrees in the inland areas.

26 August

In western Poland, foggy in the morning. During the day, generally cloudy with possible light rain, especially in the coastal areas. In the remaining areas, generally quite fair following considerable fog in the morning. Temperature range from 20 degrees in the coastal areas to 26 degrees in the inland areas. Light or moderate easterly winds.

27 August

In the morning, some fog or mist; during the day, fair in the entire country with probable local thunderstorms. Temperature range from 22 degrees on the coastal areas to 30 degrees in the south. Light variable winds.

28 August

In the morning, local fog or mist, especially in the east; during the day, generally quite fair with increasing cloudiness and intermittent rain caused by thunderstorms. Temperature range from 18 degrees in the west and seacoast to about 24 degrees in the inland areas. Moderate winds, mostly southwesterly.

29 August

Generally quite fair in the east. Cloudy in the rest of the country with considerable cloudiness and light rain in the west. Temperature range from 18 degrees in the west to 24 degrees in the east. Light southerly and southwesterly winds.

30 August

Fair or quite fair throughout the country. Temperature range from 26 degrees to about 32 degrees. Prevailing light southerly winds.
